

Wanaque Valley Regional Sewerage Authority

Resolution 16-58 Summary

**RESOLUTION TITLE: AWARDING CONTRACT FOR ELECTRICAL SERVICES
AND REPAIR FOR FACILITIES OF THE WANAQUE
VALLEY REGIONAL SEWERAGE AUTHORITY TO
RAYMOND NEBIKER ELECTRIC OF RINGWOOD, N.J.**

**REVIEWED BY: Interim Executive Director, Counsel to the WVRSA,
Superintendent of Operations**

ACTION DATE REQUESTED: July 27, 2016

SUMMARY:

On July 27, 2016 a memo from the Interim Executive Director was sent to the Superintendent of Operations and Executive Secretary indicating that the Authority's cost for electrician services in Fiscal Year 2016 had exceeded the State's bid threshold of \$40,000 and that no further expenditures would be authorized pending a bid process.

A bid specification was developed by the Interim Executive Director, Superintendent of Operations, Qualified Purchasing Agent and Counsel to the WVRSA and authorized by Resolution dated May 15, 2016 for advertisement. Four bids were received by the June 21 deadline for submission.

Bid awards were originally scheduled for consideration/adoption by the Board of Commissioners at the June 22, 2016 meeting but were tabled pending review by Counsel to the Authority and the Qualified Purchasing Agent.

On June 21 bids were opened (bid summary attached) and forwarded to Counsel to the WVRSA and Qualified Purchasing Agent for review/recommendation. Upon review Counsel has determined that the low bid submitted by K. Hanrahan Enterprises, Inc. of Fairlawn, N.J. does not comply with the bid specifications prevailing wage requirement and therefore should be rejected and award made to the second low bidder Raymond Electrical Contractor, Inc. of South Hackensack, N.J. (to date we have not received the review /recommendation of the Qualified Purchasing Agent).
