

RESOLUTION RE: AUTHORIZING A WINTER INCENTIVE RATE FOR SEPTAGE DISPOSAL AT THE WANAQUE VALLEY REGIONAL SEWERAGE AUTHORITY SEWAGE TREATMENT FACILITY FOR THE PERIOD DECEMBER 1, 2022 THROUGH FEBRUARY 28, 2023

WHEREAS, the Wanaque Valley Regional Sewerage Authority (WVRSA) relies, in part, on revenue derived from private septage hauling companies disposing material at the WVRSA sewage treatment facility to support its operating budget; and

WHEREAS, the winter period is, historically, a period of lower volume of septage disposal at the WVRSA sewage treatment facility; and

WHEREAS, the WVRSA Board of Commissioners has, for the last several years offered incentive pricing to encourage haulers to dispose greater volumes of septage material during this low use period; and

WHEREAS, the WVRSA Board of Commissioners desires, once again, to provide incentive pricing during the winter period from December 1, 2022 through February 28, 2023.

NOW, THEREFORE, BE IT RESOLVED that the WVRSA Board of Commissioners does hereby authorize a winter incentive rate for the period December 1, 2022 through February 28, 2023 providing a 20% discount on every gallon received by the WVRSA which exceeds the individual septage haulers disposal amounts for the period December 1, 2022 through February 28, 2023.
